

**DESERT MEDICINE RESEARCH CENTRE, JODHPUR
(Indian Council of Medical Research, New Delhi)**

DMRC is organizing National Consultation on Tribal Health Research from 8th to 10th August, 2019 in its Campus at New Pali Road, Jodhpur. Besides discussion on research work being carried out on Tribal Population by ICMR institutes, there will be a session for young and middle age Scientists from different parts of the country. Interested Scientists may please sent abstract of their original work on the tribal population in the field of bio medical science alongwith a brief resume in two pages on or before 28th July, 2019 through email: dmrcdirector@gmail.com. Travel and stay arrangements will be done by host institute for selected candidates.
